

# Andrew Cohen

## Founder of EnlightenNext in the UK during March 2010

**Andrew Cohen** is the founder of EnlightenNext, editor-in-chief of *EnlightenNext* magazine (formerly *What Is Enlightenment?*) and author of numerous books, including *Living Enlightenment: Evolution Beyond Ego* and *Embracing Heaven and Earth*. He has been teaching for over 23 years and is internationally recognized as an original voice in the emerging field of evolutionary spirituality.

**London Day Intensive** Saturday 27 March, 10.30am – 6.00pm  
**The Next Step: Cultivating New Spiritual Values for our Culture**

For first-time participants or regular practitioners of evolutionary spirituality, this day of creative inquiry will give you more than a taste of the transformative potential of Evolutionary Enlightenment. Known for his ever-evolving, ever-inspiring presentations, Andrew Cohen sets the context for liberating the highest and best part of ourselves and conveys a new way of understanding the purpose and meaning of life in the 21st Century.
